CRITICAL TO COMPANY SUCCESS

"After being in business for over 15 years, I can honestly say that I have never seen or experienced the opportunity to connect with so many industry experts who are critical to the success of a company. I wish I had attended the Building Business Capacity Program when I started DQP 15 years ago – I would have been spared a lot of headaches trying to figure it out on my own."

Trish Holper, Graduate

The USDOT Building Business Capacity Program helps you harness your determination with expert insights to take your company to the next level.

With the New Year fast approaching, what have you done to position your business for success? In this Building Business Capacity Program, you will hear from experts in construction accounting, construction law, estimating, project management, surety, bonding, marketing and access to capital. This program is designed to help you take your company to the next level. If you are ready for that next step, **register today.**

Dates & Times: July 25, 26, 27, 28 & 29. 8:30am - 10:30am MST each day. Virtual Webinar.
